

## [LOHSA Needs a New Commodore](#)

Happy New Year members of the Lake Ontario Hunter Sailing Association!

On July 25, 2010, my 2-year as Commodore of LOHSA will come to an end. I want to thank everyone who offered their help with our Rendezvous last year and the coming event for this July. Putting these events together involves a huge amount of team work and dedication. The collapse of Angus Yachts created some new challenges for us, but we forged ahead and had a record turnout last year. Personally, I found it was a great deal of fun and very rewarding to work with such a passionate group of people. We are already hard at work on this year's event which promises to outdo last year's Jammin' Reggae Rendezvous.

We are now looking for the next Commodore. Although the focal point of this position in the past was to represent LOHSA and assist the key sponsors (our local Hunter Dealership and Hunter Marine) in putting the event together, moving forward, this role will change a bit. The ownership of True North Yachts has requested my future involvement, in that I act as Chair the Annual Hunter Rendezvous Committee. I have accepted, as this is truly one of my volunteer passions.

The new Commodore will be someone who also has great passion for the Yachting Lifestyle, is loyal to the Hunter Brand and who brings with them a diverse skill set to not only represent the Association, but work with our Webmaster, Christine Tavener to communicate with our members. Planning of additional events, sharing of experiences amongst the members, and growing the benefits of belonging to the Association are just a sampling of ideas that would engage the new Commodore. Being a part of the Rendezvous committee would also be part of the responsibility. This is usually a 2-year term, however this could change moving forward.

Please let us know if you are interested, you must be a Hunter Owner and a passionate ambassador for the Hunter Brand.
